

Dear Parents,

Throughout the year the childcare takes pictures of the children at events, parties, field trips, and during the day at childcare. We would like to use these pictures to be displayed around the childcare, in the newsletter, fliers, brochures, and on the internet through our website and our Facebook page. Please sign this permission slip line indicating that we have **do** or do **not** have your permission to photograph your child.

The childcare **DOES** have permission to photograph my child.
