Dear Parents,

Dear Friends,

I hope that you enjoyed your Spring Break! Report cards will be sent home on Wednesday so be on the lookout for those! If you have any questions, please let me know.

In the KNOW:

In Math, we are working on measuring and estimating, reading graphs, exploring tangrams, counting forward and backward on a number line and continuing to count pennies, nickels & dimes. It's always a good idea to grab a few coins during homework and have them add together. (Pennies and nickels and dimes and pennies.)

In Reading we are doing a unit on being a good citizen. We are working with long vowels (a__e), sequencing events & working with adjectives in reading and writing.

In Science, we will be starting a unit on eggs. We will plant grass and will be keeping a science journal on its growth over the next week and a ½. We will use this grass for a fun Easer scavenger hunt before Easter Break—shh it's a secret!!

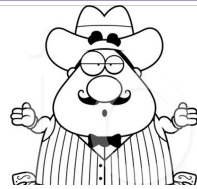

In Handwriting, we are working on writing sentences using a complete thought and relating that to our Reading stories on being a good citizen.

Easter Party—just a sweet treat needed! Let me know if you can help!

Memory Work

“Sanctify them in the truth; your word is truth.”

John 17:17

**ROCKIN'
&
ROLLIN'**

Many have completed and read all word lists to me. I will continue to listen to each student throughout the remainder of the year. If you feel your child is ready, have them come to me and test on the lists. They have picked out a fun prize for their hard work!

Spelling List:

but cut nut shut do and band land stand
grand *sixteen *seventeen
